What is a two-day ticket?

By purchasing a two-day ticket, you gain access to both shows at the venue you purchased for.

Can I choose to stand/sit in different areas for the two shows?

The assigned location associated with a two-day ticket will be the same for **both** shows, whether you purchase a seated or standing area ticket.

For example, if you have selected General Admission standing, you will be in General Admission standing for both shows. If you have selected seat C27, you will be in C27 for both shows.

How can I resell my ticket?

If you can no longer attend **both shows in two-show cities** or **the show in a single-show city**, contact your point of purchase to learn about your fan-to-fan resale options.

Why can't I sell or transfer just one of my two-day tickets?

A two-day ticket is a single ticket that cannot be split. If you purchase a two-day ticket, you can only resell it for both shows. You cannot keep a ticket for one of the shows.

Ticket resale is only applicable where official fan-to-fan resale is available; please check with your point of purchase.

A limited number of single-day tickets for cities with two shows will be available beginning 25 July 2025.

What is the difference between each show at stops where Metallica plays twice?

When will single-day tickets for cities with two shows be available?

A limited number of single-day tickets will be available beginning 25 July 2025. More information will be announced closer to the release of these tickets.

This ticket **does not** include access to festivals or any other special events Metallica participates in.

How/when will I receive my tickets?

Depending on the options available for your city, tickets are either issued as mobile tickets or PDFs sent via email. You may not be able to view or download your tickets until closer to the event. Check your confirmation email or the ticket agent account where you purchased your tickets.

How can I give my tickets to a friend or family member?
